B. HYAM'S 42/- SUITS

—FOR—
BUSINESS MEN.

FORTY-TWO SHILLINGS is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of **B. HYAM'S 42s. Suit** over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his **42s. Suits**, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. **B. HYAM'S 42s. Suit** stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. **For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.**

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

 The reason of the continued success of **B. HYAM'S 42s. Suit** over all other suits is, that while other houses have all along been giving the same
 value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his
42s. Suit, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. **B. HYAM'S**
42s. Suit stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s and 55s. It is a fact that
 many Clothiers ask as much as 63s. for a suit no better in value. **For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.**

GLUCK'S Opera, compressed into Two Acts,

ORPHEUS & EURYDICE

Orpheus	...	Miss MEISSLINGER
Love	...	Miss MINNIE HUNT

—AND—

Eurydice	...	Miss EDITH HOWE
----------	-----	-----------------

Conductor - **Mr. CLAUDE JAQUINOT.**

The Argument is worked out on the lines of the well-known mythological legend. Orpheus, lamenting over the tomb of his beloved Eurydice, is informed by Love, the messenger of the gods, that if he besieges the Court of Pluto, and utilizes his musicianly gifts, his consort will be restored to earth. The condition is, however, imposed upon him that he must not look upon his Eurydice's face till they have passed beyond the confines of Hades. Yielding, however, to Eurydice's importunities, Orpheus looks upon his love. The gods punish him for having thus broken faith by once more removing Eurydice from earth.

B. HYAM'S 42/- SUITS —FOR— BUSINESS MEN.

FORTY-TWO SHILLINGS is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of B. HYAM'S 42s. Suit over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his 42s. Suits, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. B. HYAM'S 42s. Suit stands unrivalled, and is equal in every respect— in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 65s. for a suit no better in value. For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

At Eight,

Her Majesty's Servants will perform

GLUCK's Opera, compressed into Two Acts,

ORPHEUS EURYDICE

Orpheus ... Miss MEISSLINGER
Love ... Miss MINNIE HUNT

—AND—

Eurydice ... Miss EDITH HOWE

Conductor - Mr. CLAUDE JAQUINOT.

The Argument is worked out on the lines of the well-known mythological legend. Orpheus, lamenting over the tomb of his beloved Eurydice, is informed by Love, the messenger of the gods, that if he besieges the Court of Pluto, and utilizes his musicianly gifts, his consort will be restored to earth. The condition is, however, imposed upon him that he must not look upon his Eurydice's face till they have passed beyond the confines of Hades. Yielding, however, to Eurydice's importunities, Orpheus looks upon his love. The gods punish him for having thus broken faith by once more removing Eurydice from earth.

TO BE FOLLOWED BY

RUSTIC CHIVALRY.

Lola ... Miss MINNIE HUNT

B. HYAM'S 42/- SUITS —FOR— BUSINESS MEN.

Forty-two shillings is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of B. HYAM'S 42s. Suit over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his 42s. Suits, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. B. HYAM'S 42s. Suit stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

ARGUMENT.

During the prelude TONIO one of the characters in the opera comes forward and announces to the public that the Author is desirous of restoring the ancient Prologue of Greek Tragedy in order to explain to the public that the subject of his Play is taken from real life. and that as a composer he has devoted his attention to expressing the sentiments, good or bad, but always human, of the characters whom he introduces, rather than to describe their social conditions.

He then makes a sign for the Curtain to rise.

The scene of the story is laid in Calabria at the time of the Feast of the Virgin di Mezzagosto.

The First Act commences with the arrival of a Troupe of Strolling Players. CANIO, the Clown, Chief of the little Troupe, invites the crowd to attend, and then goes off with BEPPE, the Harlequin, and several peasants to drink at the Tavern.

Meanwhile, TONIO, the Hunchback, who is also a member of the Troupe, takes advantage of the absence of CANIO to declare his love to NEDDA his (CANIO's) wife, also an actress, but on his becoming too pressing she strikes him with a whip. TONIO, furious, goes off swearing to be revenged. He returns, however, a few minutes afterwards to the little theatre and finds NEDDA with her lover, SILVIO, a rich farmer, who is trying to induce her to leave her husband and run away with him. TONIO, without been seen, goes off to find the husband, CANIO, and bring him back to surprise the pair. SILVIO, however, succeeds in scaling a wall and getting away without being recognised, but not before CANIO has heard his wife's parting words as she tells SILVIO to meet her at night. CANIO, furious, orders her to tell him the name of her lover, but she refuses, and BEPPE arrives just in time to seize the knife from the hands of CANIO, who is about to attack her. He persuades her to go into the theatre to get ready for her part, and induces CANIO, to be calm and prepare for the performance.

The First Act closes with a cry of despair from CANIO who is obliged to act a comedy with death in his very soul.

In the Second Act the peasants arrive to assist at the performance; they take up their places, and the curtain rises as the play begins. By a mere chance this proves to be a burlesque of all that has taken place in the First Act. TONIO, who plays the part of the idiot servant makes a declaration of love to Columbine (NEDDA), which she receives with scorn. Harlequin in love with Columbine then appears, but after a short interview is nearly surprised by CANIO (the Pagliacci), who arrives just as Columbine is helping Harlequin to run away, and hears her repeat to him the very words which he had used to SILVIO when she bade him meet her after the play that night; at this CANIO loses his head, forgets his part, and furiously demands the name of her lover. Columbine laughs in order to put the public off the scent, and they failing to grasp the truth are much amused. Suddenly, however, CANIO, beside himself with rage and jealousy, seizes the knife on the table and stabs NEDDA to the heart, whereupon SILVIO, who is among the audience, rushes forward with a dagger in his hands to her rescue, but is assailed and killed by CANIO, who, turning to the crowd, announces that "La Comedia e finita,"—the Play is finished.

Friday, August 25 (at 8),

B. HYAM'S 42/- SUITS —FOR— BUSINESS MEN.

Forty-two shillings is the price charged by B. Hyam for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. Hyam's ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever. The reason of the continued success of B. Hyam's 42s. Suit over all other suits is, that while other houses have all along been giving the same value in Tweed, B. Hyam, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his 42s. Suits, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. B. Hyam's 42s. Suit stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. For Business Men, B. Hyam's 42s. Suit is the Suit of the Season. TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

B. HYAM'S 42/- SUITS

—FOR—
BUSINESS MEN.

FORTY-TWO SHILLINGS is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of **B. HYAM'S 42s. Suit** over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his **42s. Suits**, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. **B. HYAM'S 42s. Suit** stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. **For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.**

FIRST CLASS WORK.

This Evening (Thursday), August 31st, 1893,

At Eight,

Her Majesty's Servants will perform

GLUCK's Opera, compressed into Two Acts,

ORPHEUS & EURYDICE

Orpheus	Miss MEISSLINGER
Love	Miss MINNIE HUNT
—AND—			
Eurydice	Miss EDITH HOWE

The Argument is worked out on the lines of the well-known mythological legend. Orpheus, lamenting over the tomb of his beloved Eurydice, is informed by Love, the messenger of the gods, that if he besieges the Court of Pluto, and utilizes his musicianly gifts, his consort will be restored to earth. The condition is, however, imposed upon him that he must not look upon his Eurydice's face till they have passed beyond the confines of Hades. Yielding, however, to Eurydice's importunities, Orpheus looks upon his love. The gods punish him for having thus broken faith by once more removing Eurydice from earth.

After which,

LEONCAVALLO's new and enormously successful opera,

PAGLIACCI.

Or, The Strolling Players.

Canio, Master of the Troop (in the play Pagliaccio) Mr. BARTON M'GUCKIN
Tonio, the Clown (in the play Taddeo) Mr. ALEC MARSH
Beppe, (in the play Harlequin) Mr. RHYS THOMAS
Silvio, a Young Farmer ... Mr. MAX EUGENE
—AND—
Nedda, Wife of Canio (in the play Columbine) Madlle ZELIE DE LUSSAN
Villagers, Strolling Players, etc., etc.

The Scene is laid in Calabria near Montallo, at the Feast of the Assumption. Period between 1865 and 1870.

Conductor - Mr. CLAUDE JAQUINOT.

ARGUMENT.

During the prelude TONIO one of the characters in the opera comes forward and announces to the public that the Author is desirous of restoring the ancient Prologue of Greek Tragedy in order to explain to the public that the subject of his Play is taken from real life and that as a composer he has devoted his attention to expressing the sentiments, good or bad, but always human, of the characters whom he introduces, rather than to describe their social conditions.

He then makes a sign for the Curtain to rise.

The scene of the story is laid in Calabria at the time of the Feast of the Virgin di Mezzagosto.

The First Act commences with the arrival of a Troupe of Strolling Players. CANIO, the Clown, Chief of the little Troupe, invites the crowd to attend, and then goes off with BEFFE, the Harlequin, and several peasants to drink at the Tavern.

Meanwhile, TONIO the Hunchback, who is also a member of the Troupe, takes advantage of the absence of CANIO to declare his love to NEDDA his (CANIO'S) wife, also an actress, but on his becoming too pressing she strikes him with a whip. TONIO, furious, goes off swearing to be revenged. He returns, however, a few minutes afterwards to the little theatre and finds NEDDA with her lover, SILVIO, a rich farmer, who is trying to induce her to leave her husband and run away with him. TONIO, without been seen, goes off to find the husband, CANIO, and bring him back to surprise the pair. SILVIO, however, succeeds in scaling a wall and getting away without being recognised, but not before CANIO has heard his wife's parting words as she tells SILVIO to meet her at night. CANIO, furious, orders her to tell him the name of her lover, but she refuses, and BEFFE arrives just in time to seize the knife from the hands of CANIO, who is about to attack her. He persuades her to go into the theatre to get ready for her part, and induces CANIO, to be calm and prepare for the performance.

The First Act closes with a cry of despair from CANIO who is obliged to act a comedy with death in his very soul.

In the Second Act the peasants arrive to assist at the performance; they take up their places, and the curtain rises as the play begins. By a mere chance this proves to be a burlesque of all that has taken place in the First Act. TONIO, who plays the part of the idiot servant makes a declaration of love to Columbine (NEDDA), which she receives with scorn. Harlequin in love with Columbine then appears, but after a short interview is nearly surprised by CANIO (the Pagliaccio), who arrives just as Columbine is helping Harlequin to run away, and hears her repeat to him the very words which he had used to SILVIO when she bade him meet her after the play that night; at this CANIO loses his head, forgets his part, and furiously demands the name of her lover. Columbine laughs in order to put the public off the scent, and they failing to grasp the truth are much amused. Suddenly, however, CANIO, beside himself with rage and jealousy, seizes the knife on the table and stabs NEDDA to the heart, whereupon SILVIO, who is among the audience, rushes forward with a dagger in his hands to her rescue, but is assailed and killed by CANIO, who, turning to the crowd, announces that "La Comedia e finita,"—the Play is finished.

B. HYAM'S 42/- SUITS —FOR— BUSINESS MEN.

FORTY-TWO SHILLINGS is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of B. HYAM'S 42s. Suit over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his 42s. Suits, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. B. HYAM'S 42s. Suit stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

B. HYAM'S 42/- SUITS —FOR— BUSINESS MEN.

FORTY-TWO SHILLINGS is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of B. HYAM'S 42s. Suit over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his 42s. Suits, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. B. HYAM'S 42s. Suit stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

B. HYAM'S 42/- SUITS

—FOR—
BUSINESS MEN.

FORTY-TWO SHILLINGS is the price charged by B. HYAM for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. HYAM'S ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of **B. HYAM'S 42s. Suit** over all other suits is, that while other houses have all along been giving the same value in Tweed, B. HYAM, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his **42s. Suits**, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. **B. HYAM'S 42s. Suit** stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value. **For Business Men, B. HYAM'S 42s. Suit is the Suit of the Season.**

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.

B. HYAM'S 42/- SUITS

—FOR—
BUSINESS MEN.

Forty-two shillings is the price charged by B. Hyam for a really good Business Suit, made to measure, from a well-selected stock of Genuine Scotch, English, Irish Tweeds, and Guaranteed Indigo Serges. These Suits have been from the first the leading feature of B. Hyam's ORDER DEPARTMENT, and are now, after an experience of over a quarter of a century, more appreciated by the public than ever.

The reason of the continued success of B. Hyam's 42s. Suit over all other suits is, that while other houses have all along been giving the same value in Tweed, B. Hyam, taking into consideration the fall in the price of wool, has been steadily raising the quality of the Tweeds supplied in his 42s. Suits, until he can now confidently assert, without fear of contradiction, that nowhere else in Ireland can such value be obtained. B. Hyam's 42s. Suit stands unrivalled, and is equal in every respect—in Style, Fit, and Workmanship—to suits usually sold at 50s. and 55s. It is a fact that many Clothiers ask as much as 63s. for a suit no better in value.

TROUSERS, made to measure, from same material, 12s. 6d. New Fashion Books with Self-Measurement Guides attached, together with a choice selection of Patterns, forwarded Post Free to any address on application.
